MEMORANDUM FOR: AD/DCI/IC

SUBJECT : Joint Clandestine Operations Training

25X1 1. On 21 February 1975, I received a call from Commander Manthorpe, Executive Assistant to Vice Admiral Rectanus, Deputy Assistant Secretary of Defense for Intelligence, concerning the status of joint clandestine operations training [redacted] He asked two specific questions:

a. What was the composition of the military instructional staff and when were they scheduled to arrive?

b. What was the composition of the military students and when were they scheduled to begin their training?

25X1 2. These questions were prompted, according to Manthorpe, by a recent visit of Dr. Hall and Admiral Rectanus [redacted]

3. I answered all of Commander Manthorpe's questions and informed him, under the Terms of Agreement signed in October 1974, that DIA was the action agency on the selection of faculty and students for clandestine operations training.

4. Commander Manthorpe and I are to meet on 28 February 1975, at his request, to discuss other intelligence career development matters. Since this project was started by the IC Staff and now is in operation, I recommend that it continue to be monitored.
